2018 NEIGHBORHOOD NIGHT OUT

The Fredenberg Township Neighborhood Night Out was held on August 7th this year and was yet again a success! Fredenberg residents of all ages joined together to enjoy a beautiful evening focused on bringing our community together. We had so many residents in attendance that there were over 280 hot dogs served and unknown amount of snow cones gobbled up. Some of this years' attractions included: a tour of the Fire Station, including close up of the fire truck and its equipment. The Reservoir Riders Snowmobile Club had their trail groomer there to check out and climb on! We had a race track, obstacle course, clowns, critters from the Snake Pit and wonderful giveaways. Seeing the twinkle in the eye of the child that won a new bike is second to none. The adults had their share of items to win too.

The night would not have been possible without the many contributors and participants. I would like to thank the following for their donation: Fredenberg Fire Department for their fire truck and EMT display. Greg Kaneski and Lakehead Trucking for the monetary donation to help purchase 8 bikes that were given away and a gravel/dirt donation. Jim Martindale from JM Transmission for sponsoring the superfast Hot Wheel Race track. High-Banks Resort for the gift certificate donation. Walter Rapp for the beautiful bird house. Reservoir Riders for bringing the equipment over. The Fredenberg Clowns. Joan Sutliff & Fredenberg Flyers Ski Club, who helped dish out the frosty snow cones. Clay Cich and his grandkids for helping to setup. Anne Cich, Julie Johnson, Kerri Amborn, Barb Pearman, Jim Ray, Walter Rapp & Tom Pawlowicz for their help. And everyone that stayed and helped with clean up. Thanks again!

Come help us celebrate the night sky in Fredenberg as part of Duluth's Celebrate the Night Sky Week!

There will be telescopes, with members of the Arrowhead Astronomical Society on board to enhance our sky viewing pleasure.

We will be showing the movie "City Lights, Starry Nights" in the community center. It is a 25-minute documentary movie about light pollution, how it impacts human and habitat health, and what we in the Lake Superior region can do to reduce light pollution and celebrate the night sky.

Popcorn and treats provided!

Thursday, September 20th, 7-10 pm.

Join us, rain or shine!
