

Fredenber Township Study Committee Final Survey - February 2, 2021

Name: _____

Do you approve of Section 1 Introduction as written? Yes / No

Do you approve of Section 2 Ordinance Comparison Summary as written? Yes / No

Do you approve of Section 3 Zoning District and Setback as written? Yes / No

Do you approve of Section 4 Administration and Financial Considerations as written? Yes / No

Do you approve of Section 5 Residential Property Value Impact as written? Yes / No

Do you approve of Section 6 Inspection, Enforcement, and Reclamation as written? Yes / No

As a member of the Fredenberg Township Study Committee for Extractive Use Ordinance which recommendation option do you support? Choose One: Option 1 / Option 2

Option 1: Re-entrust Fredenberg Township as the responsible party to own planning and zoning responsibility for extractive use / borrow pits including establishment of borrow pits associated regulations (ordinance), administering and approval of CUP applications, as well as inspections, enforcement, and oversight of reclamation.

Option 2: Entrust SLC to continue to oversee planning and zoning responsibility for Fredenberg township extractive use / borrow pits including establishment of borrow pit associated regulations (ordinance), administering and approval of CUP applications, as well as inspections, enforcement, and oversight of reclamation.
