## **VOTE FOR JEFF BLIX NOVEMBER 8 FOR TOWNSHIP SUPERVISOR**

I have lived on Fish Lake, in Fredenberg for 46 years with my wonderful wife Liz, we have 2 married daughters, and 4 grandchildren. Hunting, fishing, snowmobiling, gardening, and spending time with my friends, family, and dogs are passions of mine.

Having retired from the Wisconsin Department of Transportation after 21 plus years, I am able to devote my time and experience to the town of Fredenberg. My experience in state and county government, and road work, as a Maintenance coordinator, will be an asset to the township.

I previously served on the Fredenberg town board for 12 years, that experience and knowledge better enables me to serve the community. My only agenda is to help identify and meet the needs of our growing community.

My opponent on the other hand, has another agenda that she has forgotten to mention in her mailings and conversations with residents. She was and is currently involved in a lawsuit against St. Louis county and a local business regarding planning and zoning. For the past 2 years, she has adamantly pursued the idea of the township taking over planning and zoning from the county. My feeling is that Fredenberg should not take over the responsibility for Planning and Zoning. That responsibility is costly, time consuming, organizationally and operationally complex and demanding, will pit neighbor against neighbor, and often ends in lawsuits. Our township turned over Planning and Zoning to the county over 30 plus years ago because of this. Fact: Only 2% of St. Louis county townships currently have planning and zoning.

I will strive to regain a good working relationship with the county. They have the resources, knowledge, and experience, that if we work cooperatively, can better serve the needs of our community.

It is important to give back. I have served on several committees, such as the new fire hall, Fredenberg Park, National Night Out, the shoe canoe and bike race, and the comprehensive land use plan committee.

I am not going to feed you full of "fluff" and make false promises.

I've always been open and honest and intend to keep it that way. And am devoted to "true transparency" on ALL levels. I support the township as a "whole" not just a select few.

What do I have to offer?

- \*Open communications with respect to others
- \*Experience in state, county, and township government
- \*Roadwork knowledge
- \*Willingness to listen without an agenda
- \*Knowledge of Fredenberg as a 46 year resident
- \*Family and community values

I am being endorsed by Fredenberg Board Supervisors  
Walter Rapp, Jim Ray, and Tim Wagner

I thank you for your support and vote.

I look forward to serving you again as a Township Supervisor.

My coffee pot is always on for visitors.

Paid for by Jeff Blix

## BRUCE ANDERSON FREDENBERG TOWNSHIP SUPERVISOR

I was born in Fredenberg Township in 1955 and grew up at the old Leif and Evelyn Olson Farmhouse - later to be known as "**Rolling Ruts Golf Course**". Being self-employed as a house painter and having served on the Fredenberg Volunteer Fire Department for over 10 years, I have met and built relationships with many people in our township.

Watching this township grow from a few farms and a lot of open area to the bustling community it is now has been amazing. However, this is (geographically) a very small township, occupying only 35.9 square miles; of which 25.4 sq. miles is land and 10.5 sq. miles (29.21%) is water. There is still room for development, so our remaining resources must be carefully managed.

If I am elected as a Township Supervisor, I will keep focused on the multiple unique issues presented to Fredenberg Township. As a life-time resident, I have a love for this township and want what is best for it in its entirety. I will continue to be a voice for our Township at the St. Louis County Commissioner meetings, and any other venue where our voice needs to be heard. This is not to usurp authority, but rather to encourage and develop a relationship of mutual respect.

As I am semi-retired, I will dedicate time to the issues and demands of this position. I am committed to and passionate for Fredenberg Townships' residents - from the cabin owner, to the homeowner, to the business owner. Some of my strengths are a determination to be fair, being a good listener, and acting in a calm, rational and approachable way. I will do all that is in my power to preserve the way of life we all enjoy here. It is the reason my wife, Bonnie, and I - and so many of you - have remained here, or moved here, built homes and lives here, raised families here.

Much has already been done to make Fredenberg Township remarkable! Let's keep going.

**I hope you will vote for me,  
Bruce Anderson, on November 8th.**

concerns in mind.***
